SECTION 1. Tennessee Code Annotated, Title 36, Chapter 5, Part 1, is amended by inserting the following as a new, appropriately designated section thereto:

(a) There has been created, by the department of human services, a committee known as the department of human services income shares advisory committee. The committee shall review the child support guidelines proposed by the department of human services with an effective date of January 18, 2005, the child support guidelines in effect as of January 17, 2005, and any other policy, rule, regulation or guideline adopted by or used previously by this state in order to draft, revise, and recommend to the general assembly those child support guidelines that the committee recommends to be used in Tennessee courts. The committee shall have as its goal the recommendation of guidelines that are simple to apply, easy to administer and enforce, fair to both parents, and that provide adequate support for children.

(b) The department of human services shall provide a meeting place for the committee and shall be responsible, out of the department's budget, for such expenses associated with the meeting as the department deems appropriate.

(c) The committee shall present to the senate judiciary committee and the house children and family affairs committee, for their approval, no later than January 15, 2006, both a majority and minority report.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
